

HOMETOWN HERO

Teanna Hancock

I would love to nominate Teanna Hancock as a Hometown Hero. She is a loved teacher here at HighMark Charter School. She always goes above and beyond to not only teach her students but to get to know them on a personal level. On top of being an amazing teacher she also coaches girls soccer, basketball, and softball and has coached her teams to many championships. Teanna is also the Student Government Advisor, she teaches and shows our students how to become great leaders. Teanna is all around a great teacher, coach, and friend. She is always the first one to help out whenever anyone needs anything.
