## SECTION II

### INTRODUCTION

- A. HighMark Charter School (the “School” or “HMCS”) is requesting proposals for a public charter school Education Service Provider (“ESP”).
- B. **BACKGROUND OF HMCS.** HMCS is a charter school in South Weber serving students in grades K-9. The charter for HMCS was approved by the Utah State Board of Education in 2011. HMCS opened in the fall of 2012 and has been in operation for over four years. HMCS is a K-9 charter school with approval to enroll a total of 695 students. HCMS had 650 students enrolled for the 2021-2022 school year and expects to enroll at least that many students in successive years. The mission of HMCS is to equip students with the highest quality education while fostering an entrepreneurial spirit by integrating practical business applications throughout the core curriculum.
- C. **DISCLAIMER & ACKNOWLEDGEMENT. Authorization to continue operating HMCS as a Utah public charter school is expressly contingent on HMCS’s charter not being terminated by the Utah State Board of Education. HMCS reserves the right to cancel any and all ESP service agreements executed pursuant to this RFP in the event the School’s charter is terminated for any reason. All offerors must agree to cancellation of said agreements and to hold HMCS, its directors, officers, employees, and agents harmless for any loss of potential profits and costs/expenses incurred in the event the School’s charter is terminated for any reason. Submission of an ESP proposal in response to this RFP shall be deemed an acknowledgment and consent by the offeror to the cancellation provisions contained in this paragraph.**
- D. **TERM OF CONTRACT.** In the interest of maintaining continued services, HMCS will award the contract for ESP services for a period up to, but not to exceed, five (5) years, beginning July 2022. The contract entered into by HMCS’s Board of Directors for ESP services shall be in writing and shall incorporate the above-mentioned “Disclaimer & Acknowledgment.”
- E. **AWARD OF CONTRACT.** The contract will be awarded to the offeror whose proposal is determined to be the most advantageous to HMCS, taking into consideration the price and the evaluation factors set forth in this RFP. No other factors or criteria will be used in the evaluation, and please note that due to recent changes to the Utah Procurement Code, cost is evaluated independently from the substantive evaluation factors. The final determination shall be in writing and shall be determined at the sole discretion of HMCS’s Board of Directors. The contract file will contain the basis on which the award is made. HMCS can reject any and all proposals, and it can waive any informality or technicality in any proposal received if HMCS’s Board of Directors determines it would serve the best interests of HMCS. HMCS will open proposals publicly, identifying only the names of the offerors. Following the award decision, all proposals become public information.
