

BINGO rules:

**Number one rule is make sure your name and teacher is on the BINGO card.**

There are many ways to get a BINGO. You get to choose which row or diagonal you want to complete. If you want to do a wanted poster, emoji Pictionary, trivia question, book mark, or book cover, please download it from the blog. If you have a problem doing that please come to room 106 for a copy.

Read from 3 different packaged foods means read the words on cereal boxes, cake mixes, whatever package foods you have.

The boxes need to be initialed by a parent when completed.

The pages you complete can be stapled to the back of the BINGO page.

When possible write in the BINGO square what you did.

The deadline is March 24<sup>th</sup>. Turn in BINGO card to DIBELS the fish in room 106.

There will be prizes. Blackout is always a possibility!
