

HIGHMARK'S GOT TALENT

For music specials during the first and third weeks of May we will celebrate all our elementary students' many talents! It is for students only (no parents) so that the students don't feel nervous or afraid. It is a great way for them to practice performing in front of a group. Video submissions work too! It can be anything from a song, a piece of artwork, an instrument, lip sync, juggling, dance, etc. **The only thing we can't do is any form of talent that could result in injury (i.e., tumbling).** Doing a talent with a friend/group works too! If your student would like to participate, please fill out this form and return it to your teacher **no later than Monday, May 1st.** Signing this paper allows your student to participate and confirms that the talent your child will perform is school appropriate. **If they don't bring this back signed, they will not be able to perform.**

Name: _____ Grade/Teacher: _____
